Union Club Dinner with Vanessa O'Brien: The First American or British Woman to Summit Everest and K2 in the Himalayas

Tuesday, January 15
*Hosted by Frances G. and Harold
I. Pratt*

On July 28, 2017, Vanessa O'Brien, wife of Union Club member Jonathan O'Brien, became the first American woman to summit K2 in the Himalayas, the second highest and one of the most dangerous mountains in the world, at 28,251 feet high.

Today, for every 20 climbers who summit Everest, only one makes it to the top of K2. For every four climbers that summit K2, one dies trying.

Third Thursday Cocktails

Thursday, January 17
*Hosted by the Committee on
Introductions*

Meet new friends and catch up with old ones on First and Third Thursdays in the Everett Bar. At these informal, after work get-togethers members and guests can enjoy a specialty cocktail or regular bar offerings. They feature a light seasonal fare buffet provided by Chef Robert and his team. Reservations are required for those who want to enjoy the buffet.

These are fun ways to meet casually with your fellow members and potential new members. And remember - you can bring a potential member to this event (or any other club event) free of charge by coordinating in advance with Jessica Lyon, our Membership Manager. This is a great way for potential members to meet other members and enjoy the kinds of events our club offers.
